# Açelya LEJEUNE

My name is Açelya Lejeune.

I have been working as a professional graphic designer for 20 years.

I worked in design and printing companies in Antalya Turkey and Northern Cyprus.

I settled in England in 2019 and started my own company. Later, I got married in 2020 and settled in Belgium. I currently live in Belgium.

I made countless designs and my designs were printed and made available to customers. I can manage every stage of design and printing.

I am experienced and disciplined in working remotely. I am reliable in project deadlines and I am versatile and experienced enough to meet the needs of various customer groups. Whether I work for a large company or a small business, everyone gets my full attention.

My goal is to bring fresh, bold, creative design to my clients' branding and marketing.

I am registered at FOREM and I have right to advantages APE 2022, Impulsion 12 mois +, PFI et Sesam.

I would be grateful if you would give me the opportunity to prove my qualifications.

## Loisirs

I like playing squash, international cinema, travelling in Europe, cooking meals from different countries. I enjoy very much taking care of animals, reding the classics of French litterature. I create amigurumi (crochet animals, dolls and sleeping toys for children), I paint seascapes and abstract creations on canvas.
